access to, community-based influenza clinics, 97
physician–patient discussions of, 130
Managed care
community-level tobacco interventions, S6(Feb)
HIV prevention, primary care, 177
maternal smoking, cessation, relapse, 1
new USPSTF guidelines and, S7(April)
Mass screening
ACPM Practice Policy Statement, 78
physician–patient discussions of cancer screening, 130
Measles vaccine, undervaccination in African-American children, S61(May)
Medical education
population health faculty in U.S. medical schools, 113
prevention topics and population perspective, 286
Medical faculty, U.S. medical schools, 113
Medical insurance, physician support for patient self care, 118
Medical school, teaching of preventive medicine, 190
Mental health, trauma experience, North Korean refugees in China, 225
Military personnel, predictors of low physical fitness, U.S. Air Force, 90

N

National Immunization Survey, S1(May)
future of, S84(May)
sampling design and statistical methods, S17(May)
use and abuse of data, S86(May)
Nature, human health and the natural environment, 234, 241, 243
Nutrition, in patient care, 15

O

Obesity, research, self-reported weight and height, 294
Occupational disease, hepatitis B or C, risk among public safety workers, 299
Occupational injuries, prevention, 307

P

Patient compliance
immunization, barriers to in low-income urban areas, 21
tuberculosis treatment, in drug users, 103
Patient self care, physician support for, 118
Pediatrics, health department clinics as providers of immunization, 266
Poliovirus vaccine, coverage estimates, children 19 to 35 months in U.S., S28(May)
Pollution, smoking by college students, in smoke-free housing, 202
Population surveillance, cardiovascular disease and risk factors for, 196
Population-based interventions
interventions to reduce tobacco use, S16(Feb)
reduction of tobacco use and exposure, S10(Feb)
Poverty, children, diseases preventable by vaccination, S41(May)
Practice guidelines
interventions to reduce tobacco use, S16(Feb)
summary of guidelines, S67(Feb)
reduction of tobacco use and exposure, S10(Feb)
Pregnancy
bacterial vaginosis in, screening, USPSTF recommendations, S59(April), S62(April)
maternal smoking, cessation, relapse, 1
Prenatal care, preventive counseling during, 245
Preschool children
African-American, undervaccination in, S61(May)
ACPM Practice Policy Statement, 78
Hispanic, variation in vaccination coverage, S69(May)
immunization
measuring success, S3(May)
survey methodologies for measurement, S6(May)
vaccination status, S47(May)
vaccination visits in early childhood, S32(May)
Prevention practice and policy
cost-effectiveness and evidence-based recommendations, S36(April)
public support for, S1(April)

Third U.S. Preventive Task Force, editorial, S3(April)
Preventive health services
community, state and local, S8(Feb)
interventions to reduce tobacco use, S16(Feb)
summary of guidelines, S67(Feb)
reduction of tobacco use and exposure, S10(Feb)
screening family members for CAD, 50
smoking and exercise-related hospital admissions, 26
two job market surveys, 56
Preventive medicine
clinical, evaluating teaching of, 190
community-based influenza clinics, access to mammograms and, 97
counseling during prenatal care, 245
images, editorial, 307
images in, editorial, 173
job market surveys, 56
training, certification, value, editorial, 75
Prostate-specific antigen, physician–patient discussions of cancer screening, 130
Public health, population-based surveys in, S15(May)
Public health practice
interventions to reduce tobacco use, S16(Feb)
summary of guidelines, S67(Feb)
reduction of tobacco use and exposure, S10(Feb)
Public policy
ACPM Practice Policy Statement, 78
youth violence prevention, S63(Jan)
Public safety workers, risks of acquiring hepatitis infections, 299

**Q**

Quality assurance
National Immunization Survey, S17(May)
performance measures, 291
vaccination coverage, NIS and NHIS/NIPRCS, S25(May)
Quality of life, population assessment, minimum data set and empirical model for, 40
Quality-adjusted life years (QALYs), years-of-healthy-life measure to calculate, 35

**R**

Refugees, trauma experience, North Korean refugees in China, 225
Risk factors, youth violence, S3(Jan)
Risk-taking, science of youth violence prevention, S63(Jan)

**S**

Safety management
Hispanic migrant adolescents, first aid and safety, 258
legislation and regulations against workplace violence, 149
workplace violence prevention
business perspective, 155
labor perspective, 161
Screening
bacterial vaginosis in pregnancy, USPSTF recommendations, S62(April), S59(April)
chlamydial infection, USPSTF recommendations, S90(April), S95(April)
lipid disorders in adults, USPSTF recommendations, S73(April), S77(April)
skin cancer, USPSTF recommendations, S44(April), S47(April)
Seat belts, counseling; prenatal care, 245
Sexually transmitted diseases
HIV prevention, enhancement of primary care, 177
partner risk, secondary transmission and, HIV, 277
Skin cancer, screening, USPSTF recommendations, S44(April), S47(April)
Skin neoplasms, sunburn and, white children aged 6 months to 11 years, 9
Smoking
cessation
interventions for, S16(Feb)
interventions to reduce tobacco use, summary of guidelines, S67(Feb)
reduction of tobacco use and exposure, S10(Feb)
college students, in smoke-free housing, 202
maternal, cessation and relapse, 1
prevention, hospital-admissions and, 26
prevention and control, interventions for, S16(Feb)
Substance abuse
latent tuberculosis and, treatment, 103
promoting intervention fidelity, S38(Jan)
Sunburn, white children, 9
Sunscreening agents, sunburn in white children aged 6 months to 11 years, 9
Surgeon General, note from, S1(Feb)

**T**

Tobacco
use by college students, in smoke-free housing, 202
control policy, commentary, S2(Feb)
interventions, community-level, S6(Feb)
smoke pollution
interventions for reduction, summary of guidelines, S67(Feb)
reduction of tobacco use and exposure, S10(Feb)
use, note from the Surgeon General, S1(Feb)
use cessation
interventions for, S16(Feb)
interventions to reduce tobacco use, summary of guidelines, S67(Feb)
use reduction, state and local opportunities, S8(Feb)
Toxicity, human health and the natural environment, 234, 241, 243
Trauma, experience, North Korean refugees in China, 225
Tuberculosis
case reporting, 108
latent, treatment in drug users, 103

**U**

U.S. Preventive Services Task Force (USPSTF), S1(April), S3(April), S21(April), S36(April), S44(April), S59(April), S73(April), S90(April)
contributions to prevention in health care, S13(April)
customizing new guidelines, S7(April)
evidence-based prevention and international collaboration, S5(April)
screening for bacterial vaginosis in pregnancy, S59(April), S62(April)
screening for chlamydial infection, S90(April), S95(April)
screening for lipid disorders in adults, S73(April), S77(April)
screening for skin cancer, S44(April), S47(April)
third, editorial, S3(April)
United States Occupational Safety and Health Administration (OSHA), workplace violence, 149
University housing, smoke-free, smoking by college students in, 202
